### Furrever Friends

In 2015, Alyssa had just settled into a new job in a new city and was finally ready to adopt the four legged friend she had always wanted. She wasn't sure what to expect on her first visit to the shelter, but her life forever changed when she met Logan. Alyssa looked into the eyes of the 10 year old mutt and her heart broke thinking that just because he wasn't a puppy, he wouldn't be able to find a loving home. Alyssa changed all that when she adopted Logan, promising to make his last years the best ones yet.

### Changed For The Better

Alyssa and Logan were the perfect pair, despite some of the health problems that come with being an older dog. He brought out the best in her and she did the same for him, until after only a year together Logan passed away. Even though Alyssa didn't get to spend as much time with Logan as she would have liked their time together changed Alyssa forever.
