(This data is copied from the application and cannot be edited)

Character Limit: 1500

Instructions

As agreed by signing the Grant Agreement, receipt of your Grant Evaluation Report is a condition to receiving additional grants from the Community Foundation of Abilene ("the Foundation" or "CFA"). This evaluation report is a record of what you have achieved with the grant issued through the Foundation. The information provided will illustrate how the Foundation's investment made a difference in our community and will help inform future grantmaking.

The Foundation will review this report and contact your organization if the information is incomplete, inaccurate, or if any clarification is needed. We will request any information deemed necessary to consider the report complete.

Do **NOT** complete this form unless all the grant funds have been spent.

If there are unspent grant funds or extenuating circumstances affecting your program or ability to spend the grant funds as intended, please contact Kassidy Nygaard at knygaard@cfabilene.org or 325-676-3883 to request a deadline extension for submitting this form and to discuss next steps.

Attestation*

By selecting YES below, I attest that the full grant award amount was spent as represented in the Grant Application and agreed upon in the Grant Agreement.

If you cannot answer YES, do not continue with this form. Please contact Kassidy Nygaard at knygaard@cfabilene.org or 325-676-3883.

Choices

YES

Grant Impact

Impact Story*

Please provide an impact story illustrating how one or more of your programs have benefited local children/youth.

Character Limit: 1000

Message to Future Fund Members

Future Fund grants are made possible by the Future Fund membership group at CFA.

Please feel free to share a short message of gratitude to Future Fund members if you'd like.

Thank you!

Feedback Questions for Grantees

Building strong relationships with grantees is important to the Community Foundation of Abilene (CFA). Our goal is to be fair, respectful, and supportive of applicants and grantees during the

application process. We also intend to further the ability of organizations like yours to meet the needs of our community.

We appreciate the opportunity to partner with you and hope your organization and your constituents have benefitted from this grant. In an effort to improve our effectiveness, we would appreciate any feedback on your experiences with the CFA.

Recommendations for Grant Process

Please provide any recommendations you have to improve the Future Fund grant process.
